Congratulations Nakena!

Ambassador of the Month: For the Month of December, we would like to acknowledge Nakena Calhoun for her great work during the holiday season. With increased pedestrian traffic in the shopping district, Nakena and the ambassador made extra efforts to ensure that everything remained clean and safe. She received multiple compliments for her consistent and thorough business checks, which helped everyone feel safe and welcomed on State Street. Nakena ended 2024 on a high and, we are all excited to see this continue in 2025!

Social Service outreach specialist has continued to work alongside partnered agencies in the Harold Washington library center and within the downtown loop area to provide supportive social services to individuals in need of resources. The teams in conjunction has seen an increase in an amount of individuals needing help with affordable housing, or legal aid assistance. One reason for the subsequent increase are the removal of homeless tent encampments across the city. City officials carried out a plan to clear out many of the homeless encampments across neighborhoods throughout the city, helping to move individuals and families into affordable housing units or either shelters. Many individuals were engaged by outreach specialist, in conjunction with other partner agencies, seeking resources for a number of services in which individuals were thereby referred and directed to the proper agency well suited to address the individual's needs. With the assistance of our partnered agencies, several individuals referred were matched for housing, as the team provides the necessary case management to move clients and participants to the next phase of the process.
